

EDINBURGH WAY

NEWS FLASH

NOVEMBER & DECEMBER 2021

Lambs

We have been exploring the story We're going on a bear Hunt. Through this the children have spent time acting out the story using different sensory resources such as mud, water, flour and sticks outside. We crated mud pictures and spending time in the ball pool pretending it was the snowstorm.

Farmers

The farmers have recently been introduced to a new story called The Leaf Man about a squirrel who thinks someone has stolen the leaves of the trees. The children enjoyed going on forest school and searching for their own leaves and from this the children made their own leaf man and a leaf necklace. The farmers have also enjoyed playing with the large cardboard boxes and making their own dens to hide in.
