NEWS FLASH

NOVEMBER/DECEMBER 2021

LAMBS

The children have spent time playing in the home corner exploring different messy play material such as gloop and the new metal tea set.

FARMERS

The children have been learning about where and how different fruit and vegetables grow. We learnt whether the fruit and vegetables grew on a tree, plant or in the ground. We created apple tree paintings using fruits and made apple crumble which we couldn't wait to eat at tea.

DUCKS

The children have enjoyed exploring sounds, using the metal home corner objects the children realised they could use the pots and pans to make lots of different noises.

EXPLORERS

The children have recently been intrigued by the changes in the weather and the number of leaves they can find in the garden. We have taken part in mindfulness sessions outside taking a moment to relax and listen to the wind moving through the trees. The children have also enjoyed watching the leaves fall from the trees and trying to catch them.
