# CHRISTMAS CRACKERS!

We had so much fun celebrating in the run up to Christmas! The little Lambs and Farmers enjoyed putting up and decorating our Christmas tree's with some extra special decorations that had been made by the children at home, and sent in from our parents!

We loved exploring 'A day at Santa's Workshop' with a visit from the Christmas Elves! The Little Lambs and Farmers created their very own Christmas gingerbread house in the garden!

The children loved coming into nursery everyday to see what 'Snowflake' and 'Fred' our nursery Christmas elves had been up to, during the night – leaving us lots of Christmas crafts, activities, baking and experiments to try! On Christmas Eve when we came into nursery, we had an extra special Christmas eve box to do with the children, we enjoyed a hot chocolate station, a hunt to find the 'magic key', and sprinkling some magic reindeer dust, to help Father Christmas to find his way!

In January we will be exploring Marvelous Math's – focusing on shapes and colour and linking this in with some of our most favourite books – 'The Colour Monster' and 'Shapes' by Roald Dahl.
