

# DERBY STREET

# NEWS FLASH

February 2022

## LAMBS

The children have enjoyed spending lots of time developing their gross motor through physical activities such as taking part in obstacle courses, bat and ball games, parachute games and dancing. As well as this, the lambs have enjoyed activities linking to the story 'Going on a bear hunt' such as mud pie exploring, painting with sticks and hunting the bear in the forest area outside.

## FARMERS

The farmers have been learning about their feelings through the story 'The Colour Monster'. When arriving at nursery the children have been signing in at the 'The Colour Monster' station and expressing how they are feeling when arriving. We have linked our emotions to the different colours in the story which has allowed the children to understand the different emotions they feel and express how they are feeling throughout the day.
