

SCHOOL HOUSE

NEWS FLASH

FEBRUARY 2022

LAMBS

The children have been engaged in water play, singing and exploring through the 5 little ducks song and staff have supported their language through use of repetitive language.

EXPLORERS

The children have enjoyed taking part in role play in the home corner. We have extended our dressing up collection and added a dressing up table to the home corner, which the children have used to get ready for their tea parties.

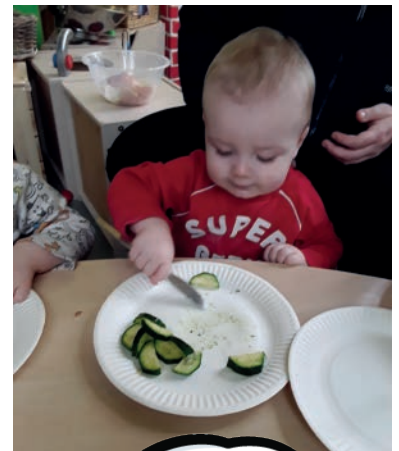

FARMERS

The children have been engaged in lots of writing activities and have liked the introduction of our easy access writing block made by Duncan the handyman. The children are able to spend time drawing and practicing how to write their name using their name cards as a guide.

DUCKS

The children have been learning new skills through our weekly provocation items. Our favourite has been courgette, which we firstly explored and named. The children then practiced cutting up the courgette and we made it into a curry. All the children enjoyed tasting the curry.
