# NEWS FLASH

## March 2022

### LAMBS:

In the lambs room we have been focussing on single words from feedback on our all about me sheets, such as please and thank you, animals names and sounds and general routine words such as hello, goodbye, and nappy. The children have been doing really well with this and we have been having lots of new words especially in play with one another.

Our children have been very excited to join in water play activities and explore with lots of new resources, their favourite was blue cornflour and the sea animals, we all got very wet and messy and had the best time splashing with one another!

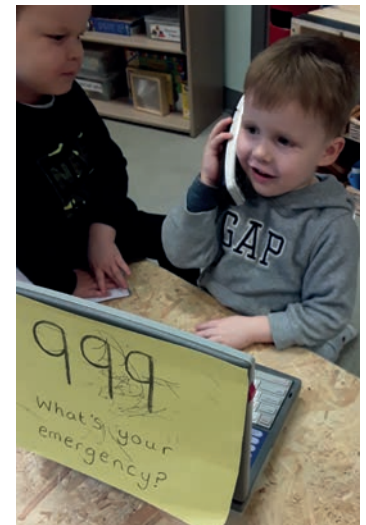

### DUCKS:

The ducks have loved listening to stories by Julia Donaldson following our children's interests and favourite books from home. The children have enjoyed lots of activities around The Gruffalo, Zog and the Smartest Giant in town. We focussed on promoting kindness and using good manners throughout our day. The children really enjoyed making large body maps

drawing around each other and labelling our different body parts! We have all had the best fun celebrating pancake day making our own pancakes in the kitchen, making playdough pancakes and having pancakes for tea with lots of different toppings which we asked for such as bananas, strawberries, chocolate, lemon and squirty cream!

### FARMERS:

In the farmers room we have been learning all about occupations we have learnt about doctors, nurses, fire fighters and police man, the children have taken part in roleplay pretending to make emergency phone calls and call for help learning all about dialling 999. One of their favourites was speaking about cooks/ chefs and all of the different foods they make, farmers have been fantastic helpers recently helping to prepare lots of different puddings within the nursery, and helping to prepare teas such as cutting up vegetables for soup and making pitta pizzas! Why not ask your child to help you at home and let them show off the new skills they have been learning!
