# NEWS FLASH

March 2022

## LOOK WHAT WE HAVE BEEN DOING

We have had lots of fun exploring our feelings, emotions, and senses.

The Farmers children have been learning about their own feelings and how their actions can impact others. The children took part in a week of completing random acts of kindness where they shared kind quotes with their children's through our kindness bucket. In the bucket we put lots of different notes and picked them out at random for our friends. We also created beautiful nature leaves with kind messages on them and made delicious heart biscuits for our families.

The Lamb's children have been exploring and learning linked to their favourite nursery rhymes. We created our own flour sensory bees, made wheels on the bus biscuits and enjoyed playing in shaving foam, scented paint and gloop.

## WHAT WE WILL BE DOING NEXT

We are going to be exploring science and reactions alongside learning about colours and mixing colours. focusing on the prime areas yellow, red and blue.

### Dates for the Diary:

**14TH – 18TH MARCH – BRITISH SCIENCE WEEK**

We will be taking part in lots of science experiments.
