

THE GABLES NEWS FLASH

MARCH 2022

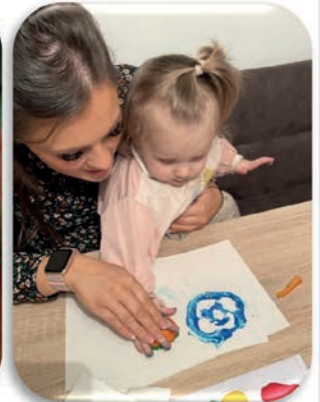

THE MONTH OF KINDNESS!

Throughout the month we have been doing 'random acts of kindness' both within the local community and in nursery. The children enjoyed placing books around Bamford for people to find and then pass them on when they had finished with them – (the people who found our books even sent some pictures in to us!) The children enjoyed creating and decorating their own 'bee kind' pictures and placed happy and positive quotes inside, they then went out and posted these through neighbouring letter boxes and handed them out to passers by!

The children enjoyed a valentines spa day with lots of treats including face masks and cucumber, a foot spa, hand and nail treatments with creams, bath bombs and fizzers to explore in the water tray, and some mindfulness massage and relax time, with a lovely afternoon tea!

We would like to thank all parents and carers for your generous donations this month towards the RSPCA (this month we raised £130.00) and also, for all of the lovely pictures that you have been sharing with us on iconnect – engaging in our weekly challenges – we love to see you doing things together at home.

In March we will be exploring 'the beginnings of Spring' observing our natural environments and learning all about life cycles of flora and fauna (plants and animals).
