

BURY COLLEGE

NEWS FLASH

MAY 2022

WHAT WE HAVE BEEN DOING?

We have had a lot of new children starting at the setting this term so there are lots of new faces! We have loved welcoming everyone into our setting and have had some brilliant feedback about the space and environment we provide which is super! Don't forget to send us some photographs or your families to support our children in their rooms!

We have enjoyed a range of Easter activities such as egg hunts, painting large easter eggs and chicks together, and exploring the outdoor area. The children have been making the most of the sunshine enjoying water play, showing us their roly polys on the grass, gardening and going on regular bug hunts which is one of our favourite activities!

The children have been exploring all our new math's resources in the farmers room, exploring the coloured counters, the new ladybug matching shapes, and the new alphabet and water bubbles in the water tray!

We have had lots of children telling us about new pets they have got at home with new puppies, rabbits, and hamsters. We have been exploring how they look after them and what things they have bought at their house for them. The children have been drawing pictures of them. If you have any photographs of your pets, please send them to us so we can make a new pet corner to show our pets to one another!

WHAT IS OUR NEXT FOCUS?

We will be focusing on book of the week and promoting communication, this is a focus across the whole nursery at the minute, so we have been sharing lots of stories, flash cards, songs and rhymes and staff have been role modelling correct language. We will continue to use the big book of activities from the WellComm project to find new and creative activities to support communication and literacy development.

We are encouraging lots of independence across the nursery site, encouraging children to help cut vegetables, make their own sandwiches at tea, cutting their snack and dressing and undressing independently. Can you send us some photographs of your children helping to do little tasks at home for them to show their friends?

Dates for the Diary:

MARLEY'S FIRST BIRTHDAY

Cake sale and guess how many sweets are in the jar
