

DERBY STREET

NEWS FLASH

APRIL 2022

LOOK WHAT WE HAVE BEEN DOING

The Farmers have been very busy exploring science and reactions which has linked into National Science week. The Farmers have taken part in lots of science experiments such as creating rockets, making fizzing volcanoes, blowing up balloons using vinegar and baking powder before measuring them to see who had created the biggest and smallest balloons and enjoyed making lots of predictions. We also investigated colours and had lots of fun learning how to make new colours by using the primary colours in puddles in the garden. The Farmers also showed how they could work together to create their own magical potions by using various ingredients that they mixed together and made up their very own magic spells, this has linked into their new story of the month 'There's a unicorn in your book'.

The Farmers and Little Lambs enjoyed taking part in some St Patricks Day celebrations where they joined in with learning some Irish dancing, created some lucky four-leaf clovers and made some beautiful rainbows before going on a treasure hunt for the pot of gold.

The Little Lambs have loved their book of the month 'We're going on a Bear hunt'. They made a dark cave and explored it by using the torches, they have taken part in lots of creative activities and sensory fun and even went on their own bear hunt around the nursery garden.

WHAT WE WILL BE DOING NEXT

Throughout the month of April we will be learning about the beginnings of Spring and life cycles and will be enjoying planting our own seeds in our nursery garden.

Dates for the Diary:

1ST - APRIL 2022 - 20TH APRIL 2022 – EASTER RAFFLE
