

THE GABLES NEWS FLASH

APRIL 2022

MARVELLOUS MARCH!

Throughout the month of March, the children have enjoyed exploring one of their most favourite books 'Funnybones'. We linked this in with 'our bodies' and exercise, we created our own skeletons, matching the body parts together, we looked at different x-rays and the children learnt lots of new vocabulary linking in with their own bodies 'ankle', 'wrist', 'lungs'. The children enjoyed a special story time with Vlad the skeleton! In March we also explored our 'family tree's', the children enjoyed making their own at home and at nursery, they loved exploring our nursery family basket, looking at photo's of themselves as baby's and their families and playing the 'guess the lady baby game'

The little lambs enjoyed a trip to our local farm! They met lots of animals along the way and then stopped for a little picnic on the way back to nursery. The lambs enjoyed a day 'under the sea' dressing as pirates, exploring a nursery aquarium, and even meeting Captain Jack Sparrow! The little lambs have done so well with learning some simple makaton, 'please', 'thank-you', 'more' and are now using this within the daily routine, as well as at home! Well done, we are so proud of you!
