

SCHOOL HOUSE NEWS FLASH

APRIL 2022

LOOK WHAT WE HAVE BEEN DOING.

Children in all rooms enjoyed taking part in British Science week. The Lambs children enjoyed mixing colours and watching exploding bath bombs in their water tray. The Duckling's children were able to learn how colours mix to create new colours through experiments using skittles. The Farmer's and Explorer's were amazed by big bang experiments. We made exploding rockets using a pump, vinegar, and baking powder. The children liked taking charge and using the pump themselves.

The Lambs and Duckling's have enjoyed loved their book of the month 'Dear Zoo'. They wrote letters and posted them to the zoo and after hearing the story over a few weeks the children have begun to recognise and fill in missing words while staff read such as repeating the word zoo or naming their favourite animal.

The Farmer's and Explorers enjoyed learning about saving the planet through their book of the week '10 things I can do to save my World'. We explored what we could do to help the planet including turning the tap off when brushing our teeth and turning lights off when leaving a room.

WHAT WE WILL BE DOING NEXT

We will be learning about the beginnings of Spring and life cycles. We will also be planting in the garden and planting sunflowers for the children to take home.

We will be restarting 'The Secret Reader' where each fortnight a different parent will come into nursery to read a story to their child's group. Please look for updated on Parentzone.

Dates for the Diary:

1ST - APRIL 2022 - 20TH APRIL 2022 – EASTER RAFFLE

We will be selling raffle tickets £2 per strip to win our beautiful Easter hamper which is packed with chocolate and hand knitted chicks and rabbits. All money raised goes to the RSPCA.
