MAY 2022

LAMBS

The children have enjoyed their book of the month, Dear Zoo. They have been using different tools to mark make, writing letters to the zoo and made their own post box, looking at the role of postman. They have enjoyed exploring a range of materials as they learnt about the different animals from the story and where they live and what they eat.

**FARMERS**

The children have enjoyed learning all about the wind, taken from our book 'Jeremy Worried about the Wind'. We carried out lots of fun experiments, using everyday objects to see which would fly the furthest and having races with kites and paper aeroplanes. The children also found ways of making their own wind using straws and different materials, to see how far they can make an object travel. We linked the book to the emotion of the week, talking about what worries us and how we can overcome or fears.

WHAT WE WILL BE DOING NEXT

We will be learning about the Queen Monarch and her upcoming celebrations. we will also begin supporting our children who are leaving for school, we will be sending home information on school readiness and introducing the children to school uniform and looking at their schools online.
