

DERBY STREET

NEWS FLASH

JULY 2022

WHAT WE HAVE BEEN DOING

The Farmers and the Little Lambs have both enjoyed celebrating the Queens jubilee we have been joining in with so many exciting activities linking to the royal family, we have enjoyed creating their own London bus from boxes and building big ben with the bricks and we introduced a new story called 'The queens hat'.

The Farmers have loved joining in with sports week at nursery and we have had lots of pictures sent in from home linking to all the different sports that the children have been joining in with outside of nursery. The Farmers have been taking part in various sports events but especially liked our game of hopscotch where they managed to improve on their balancing skills as well as incorporating maths and counting.

The Farmers have also been enjoying the lovely weather by created their very own ice cream parlour, they used shaving foam, food colouring, sprinkles, and ice cream cones and made excellent ice cream men and ladies as they role played alongside each other enhancing their communication and language skills.

The Little Lambs have had a brilliant time exploring their new bubble babies activity which has cooled them down in the hot weather, they have used their senses to explore the different textures such as sponges, nail brushes, flannels etc... and enjoyed splashing in the bubbles.

The children in the Little Lambs room also really engaged in their book of the week which was 'Pass the jam Jim'. We have had some amazing pictures sent in from parents at home making their own jam tarts alongside their children and some of them even went and delivered their jam tarts to their neighbours!

WHAT WE WILL BE DOING NEXT

We will be in our last month before we say goodbye to some of our school leavers so we will be continuing to prepare them for school with school readiness activities and the Little Lambs will be focusing on senses and messy play.
