

DERBY STREET NEWS FLASH

June 2022

WHAT WE HAVE BEEN DOING

The Farmers and the little Lambs have both been enjoying taking part in lots of different activities around the topic 'all about me'. We have had lots of new children join us so we have taken the opportunity to get to know all of our existing children and new children and their families a little better, which is something we will continue to do.

The children and their parents/carers within both rooms have really been engaging in our 'Everyday we are learning' weekend challenges and we have had some amazing family trees sent into nursery which we have displayed in our home corner for the children and staff to look at. We have also had kites and Gruffalos sent in as well as parents/carers engaging with visits to their local libraries.

The Farmers enjoyed a surprise visit from our secret reader who dressed as a clown and read the story of 'The Gruffalo' which we have continued to carry on activities around as the children showed so much enjoyment, we created our own Gruffalo cave and role play area, made the Gruffalo characters out of clay, went on a Gruffalo hunt in the garden and made our very own houses for the different animals using natural resources, we got very creative.

The children enjoyed celebrating astronomy day as we created our very own space station, the children engaged in role play and used their imagination as they created their own rockets using recyclable materials, made costumes from tin foil, and learnt about the different planets.

Thank you to all the parents/carers within the Little Lambs room who have joined in with our object hunt to help us to create some new heuristic baskets. The Little Lambs have had lots of fun using their senses to explore the different objects.

WHAT WE WILL BE DOING NEXT

We will be continuing to work with the older Farmers and their parents/carers in preparation for transition to school.

We will be focusing on toilet training and carrying out activities around this to help to support our younger farmers and their parents/carers.

The Little Lambs will be focusing on Mindfulness and sensory sessions
