

DORSET DRIVE

NEWS FLASH

JULY 2022

LOOK WHAT WE HAVE DONE...

Overall we have thoroughly enjoyed celebrating The Queen's jubilee. We all dressed up as queens and kings for the day and enjoyed a tea party with royal themed activities.

In Farmers relating with world ocean day we extended the under the sea theme and the children learnt all about recycling. The word of the week was 'Decomposing' which all the children loved learning about. We took the children on local walks using gloves, bags and a litter picker on a mission to keep our environment clean! The children then used the rubbish to categories into plastics, metals and paper and added them to colour coded recycling bins. The children learnt about how certain materials decompose within different lengths of time and found facts about how litter damages our oceans!

In ducks room we have been learning about different occupations and explored a range of different role play areas including a vet, builders yard and a farm shop. We introduced this after finding out at parents evening quite a few of our parents have new jobs since Covid. The children have been dressing up, on local walks and using their imagination investigating new and exciting resources. The children loved our farm shop set up outside in the sun where they got to dig, plant and buy their own fresh vegetables!

In lambs the children have enjoyed a musical theme this month singing lots of different nursery rhymes and making their own instruments. We introduced a special visitor to all of our rooms Harrison's grandma who kindly came to sing with us and share her musical instruments with us. She plays in a choir and brought in her saxophone, trumpet and a hornet and shared lots of different familiar songs with all of our children.

LOOK WHAT WE WILL BE DOING...

During July month we will be celebrating the children's last month with lots of exciting themed days and activities – continuing to follow their interest's and making their last couple of weeks the best before they finish for their new adventures or finishing for their summer holidays!
