

EDINBURGH WAY

NEWS FLASH

June 2022

LAMBS

We have enjoyed exploring our children's recent holidays and interests in our daily planning and implemented similar activities into nursery, linking home life and nursery. We have explored their experiences such as one of our children's beach trip in Wales and was able to create a beach roleplay area for all children to investigate. The children enjoyed using their whole bodies to explore the sensory activity with the different textures of the sand and water and extended their vocabulary by becoming more familiar with words relating to the beach such as "dry", "wet" and "rough".

DUCKLINGS

This topic our ducklings have begun to show interest in a range of different colours. From this we have had an Elmer the elephant focus week where we have made bright abstract collage pictures and learnt about lots of different shades of colours. We have introduced a colour of the week and looked at shades of this colour. We have also enjoyed having talent competitions and performing for our friends singing our new colour songs into our new microphones.

FARMERS

The farmers have loved helping to create our new fairy garden outdoors this month. We have learned where crops are grown and looked at the differences between fruit, vegetables, and flowers. We have been role playing being farmers and looking after the crops we have planted in our greenhouse. Our homework competition of who can grow the tallest sunflower has been amazing with our winner being Ollie's sunflower with a total height of 50cm so far! The strawberries, onions and potato plants have now come through and the farmers like to water them and check on them every day.

This month we will be focusing on Mindfulness throughout the nursery and we will be introducing sensory sessions to our Lamb's parents – we will be arranging dates for parents to come in and take part with their children.

DATES FOR DIARY

BANK HOLIDAY – 2-3 June - NURSERY CLOSED

8th June – WORLD OCEAN DAY

We will be having an under the sea themed day.

6th-12th June - BIKE WEEK

For this we will be exploring bike safety and also have a visit from our local lollipop lady. On the Friday 12th we will also be doing a sponsored pedal push. – sponsor forms will be sent out with your child.
