# NEWS FLASH

June 2022

## LOOK WHAT WE HAVE BEEN DOING.

The Lambs have really enjoyed the forest school campfire where we spoke about the dangers of fire and how we keep ourselves safe. To extend our learning we collected leaves and created natural collage pictures and found sticks to explore a different way to mark make.

Farmers have been working to develop their Fine Motor Skills. To support the children in doing this, we have introduced child friendly knives to cut fruit and vegetables independently. Farmers now implement this into their daily routine and have now introduced tasting sessions with new fruits such as Mangos and Grapefruits. Going forwards they will be introducing exotic fruits and other new vegetables to cut independently and try.

Explorers have been focusing on 'All things Health'. They have been taking part in lots of activities to promote an awareness of how to keep healthy. They have took part in activities on how to brush their teeth and keep them clean, what foods are healthy for them, making up their own exercise programme to increase their heart beats and how important sleep is for them and how many hours they need per night. Explorers shown an interest in how the body works, so we ran an activity where they got to explore a cow's heart, which they enjoyed.

The Ducklings have been doing a colour case study which linked into their book of the month, 'Brown Bear Brown Bear'. At the start of the month, most of the children were able to identify some basic colours, over the month Ducklings have been doing a variety of activities such as colour bear hunts and rhyming colour songs. At the end of the month the children were more confident in identifying a wide range of colours.

## Dates for the Diary:

**2ND-3RD JUNE 2022 – NURSERY CLOSED FOR QUEEN'S JUBILEE**
