JULY 2022

LAMBS

In the Lambs room we have been enjoying the hungry caterpillar story looking at the different foods in the book and linking this to their weekly colour. The children have taken part in different messy activities and weekly dress up days relating to the colour of the week. We have been developing our fine motor skills carrying out lots of threading activities creating our own caterpillars. They also enjoyed meeting the caterpillars and have been watching them grow alongside Farmers.

**FARMERS**

In Farmers room the children have enjoyed learning about the life cycle of caterpillars and moths, through the 'Woolly Bear' Caterpillar Story. We went on a journey with the caterpillar as she meets other caterpillars, each of whom is singing a song about how beautiful they are. The poor Woolly Bear Caterpillar is left disheartened by each encounter as she feels plain and dull in comparison to these brightly coloured creatures. We

spoke about the ways in which we are all different, looking at our unique features, from our hair colour to the sizes of our feet. Whilst exploring this we learnt that one of our friends has a special name for her hair, which is an afro and linked this is with our new multicultural dolls. The children showed a particular interest in the Albino doll and enjoyed learning about her origin. The children were also introduced to some real caterpillars which we have been watching grow bigger and getting ready to make their cocoons, the children had fun naming them, trying to think of names beginning with a C.

A BIG THANK YOU TO EVERYONE FOR JOINING IN WITH THE CHILDREN'S BAKE SALE FOR FATHER'S DAY AND OUR RAFFLE!
