

DORSET DRIVE NEWS FLASH

SEPTEMBER 2022

LOOK WHAT WE HAVE DONE...

Over the summer holidays we have been having too much fun in the sun. We have been exploring outdoor activities such as clingfilm painting, planting potatoes, making our own icepops, picnics and having water fights.

We have been taking full advantage of our apple tree in our garden and have been collecting them, washing them and baking with them weekly. We have enjoyed having them for snack and watching the process of how they are grown. We collected several bags of apples and the children politely went and gave them to the surestart for them to bake and share with the community.

We have enjoyed welcoming parents in over the holidays and carrying out different activities. Our creative stay and play was a huge hit and lots of parents and family members came to join in. We have had a dads reading morning and also had Dylan's mum Theresa come in and share a drama workshop which the children absolutely LOVED using 'kippers blue balloon' book as the main focus!

LOOK WHAT WE WILL BE DOING...

During September we will be working on attachment with our new families and children, inviting more families in for stay and plays and we will be continuing to enhance our outdoor areas with children work.
