

BURY COLLEGE

NEWS FLASH

November & December 2022

WHAT WE HAVE DONE:

Throughout October all rooms have focused on the topic of Autumn, the Duckling's and Farmer's room were given out homework bags which worked really well! We have loved seeing everyone's pictures on Parentzone of the children getting stuck in creating their own Gruffalo pictures and collecting Autumn natural resources. With our main focus being all about Autumn the children across the setting have enjoyed exploring the natural world around us, in little lambs the babies have used sand and soil from the garden to use in their construction area, the ducklings have enjoyed creating hedgehog and butterfly collages with leaves from their homework bags and farmers have enjoyed exploring sensory trays with pumpkins, conkers and pinecones.

WHAT WE WILL BE DOING NEXT:

In the little lamb's room the children's main focus will be colours! The children will be learning all about colours through sensory activities, mindfulness sessions in the sensory room and baking activities!

In the duckling's room the children's main focus will be communication and language! Recently members of staff attending British sign language training and we are very keen to share this with the children, for our next homework bag we will be sending our flashcards with simple signs on them so the ducklings can practice at home.

In the Farmer's room the children's main focus will also be communication and language as we prepare for our very own Christmas sing a long production! The farmers will also be learning sign language following on from our training.

All the team would like to say a massive thank you for everyone's support during our fundraising charity events for the RSPCA! Since starting the term in September, we have managed to raise an amazing £510.00 from our sponsored penalty shootout and spooky Halloween disco! All the team here are so grateful for your generous donations and we are so pleased that everyone enjoyed themselves at the disco! If you missed this event, please don't worry as we have many more stay and play sessions planned and if any parents would like to come into the nursery to explore our reading den with their child then please let a staff member know. Our Grandparent's reading day was also a great success and it was lovely to have the children's family back into the setting!

All of our parental and carer partnerships are extremely important to us at Fisherfield Childcare, we are here for you and any support needed.
