

DORSET DRIVE

NEWS FLASH

November & December 2022

LOOK WHAT WE HAVE DONE...

Across the nursery we have been focussing on Autumn and carrying out lots of different activities that relate to the new season we have been exploring.

In lambs the children have been exploring new sensory frames and bags that have been made with natural resources. They collected leaves, conkers, pine cones and sticks in our woodlands area and added them to sensory bags they then have been exploring them using our light table. They have also been exploring playdough using different scents such as spices, cinnamon and ginger and using their natural resources in the dough.

In Ducks they have been enjoying getting out into the local community on a scavenger walk finding leaves of different sizes and colours to collage with. They collected conkers to add to their maths and loose parts area and used their sticks to make their own stickmen and stick families.

In Farmers the children have been learning about the harvest festival, they have learnt a harvest song, researched facts and made their own nursery scarecrow who they named Duncan! They helped Kareena and Yasmin to build the arms, body and legs and they then created their own scarecrows using paper plates and craft materials to take home.

LOOK WHAT WE WILL BE DOING...

Over November and December we will be learning about different celebrations, festivals and traditions.

All of our parental and carer partnerships are extremely important to us at Fisherfield Childcare, we are here for you and any support needed.
