**FARMERS**

This topic our farmers have loved exploring our leaf man story book. This has come from the change in seasons and our outdoor area being covered in leaves. The children have created their own autumn display in the room from completing homework tasks such as scavenger hunts and pumpkin decorating. The children have enjoyed collecting leaves from outside and using them for activities at nursery such as making their own life sized leaf men and making leaf tutu's to perform autumn dances for their friends.

LAMBS

The little lambs have loved reading our pass the jam jim book this topic. We have particularly enjoyed exploring the different foods within the book. We have been pretending to be chef's and making our own versions of the foods. We made our own vegetable soup with the children's help to chop them up and put them in the pan. We have also enjoyed making our own jam tarts and taking some home for our families and having jam sandwiches for our tea. The children have also shown big interest in different animals this topic. For world animal day we held a dress up day which the children took part in a costume contest.
