

DERBY STREET NEWS FLASH

January 2023

WHAT WE HAVE BEEN DOING....

The children within the ducks and the farmers' rooms have been learning all about safety and people who help us within our community and road safety. We enjoyed a very special visit from the ambulance service who brought an ambulance to the nursery for all the children to explore. During the visit he explained to them what his role was in his job and his responsibilities and how all the different equipment was used. The children went onto role play using the doctors set and the dolls, created their own ambulances and extended their communication and language as they discussed things with each other and asked lots of interesting questions as well as reliving their past experiences.

As a whole nursery we have all been in the festive spirit for December. The children have been very excited as they have taken part in lots of Christmas crafts, enjoyed a craft morning with their parents, explored the season of Winter and enjoyed exploring the snow. We had a visit from Father Christmas, saw Santa with his elves and reindeers and created some magical reindeer dust for them. Some of the children have been singing to their parents 'Jingle bells' using Makaton they have recently learnt.

The Farmers have taken part in their nativity play and have all enjoyed learning about the Christmas story.

We would like to say a big thankyou to all parents who have been joining in with our weekend challenges and a huge thank you for all of your kind contributions towards our charity the RSPCA.

WHAT WE WILL BE DOING NEXT.....

As a nursery we will be enhancing a new music area for the children to enjoy and explore.

The Farmers and Ducks will be doing a topic around feelings and emotions and working closely around the story of the colour monster.

The Little Lambs will be focusing on Heuristic play and senses.

Dates for the Diary:
