NEWS FLASH

January 2023

LOOK WHAT WE HAVE DONE...

Across the nursery we have been focussing on lots of christmas related activities and celebrating winter with lots of weather activities. We have had a special visit from father christmas who handed out special presents to all of our children. We have held tombolas, competitions and challenges throughout the nursery linking to christmas and to raise money for our charity RSPCA which the children have really enjoyed. We have been making cards, wreaths and salt dough decorations to take home and making christmas hats ready for our christmas dinner day!

Across all rooms we have been doing weekly Makaton signing and our parents have been sending through the videos of their children doing the signs at home, showing what they have been learning. We also have a makaton signing board in the entrance for all parents, carers and visitors to see.

LOOK WHAT WE WILL BE DOING...

In January we will be focussing on music and movement across the nursery. We will be opening a new music area for all the children to access and we will be introducing new activities into our yoga and dance sessions.

Goodbye and good
Luck to Laura
