## NEWS FLASH

January 2023

**FARMERS**

The little lambs have loved taking part in a range of Christmas related sensory activities. We have had lots of Christmas competitions such as making our own tree decorations, making Christmas dinner hats and baking for our fayre. The lambs loved taking part in our Christmas dress up days where we had some reindeers, some Christmas puddings and even some elves. We had a special visitor come to say hello at our fayre and everyone enjoyed receiving a special present!

**LAMBS**

The farmers have enjoyed meeting our friend Buddy The Elf this month leading up to Christmas. We have had to find him in the morning and see what mischief he has been up to! The children have enjoyed exploring a range of Christmas books, especially stickman where we used real sticks to make our own houses. We have been extra busy making all our families some special Christmas gifts. The children really enjoyed our Christmas party day with our Christmas dinner and special guest.

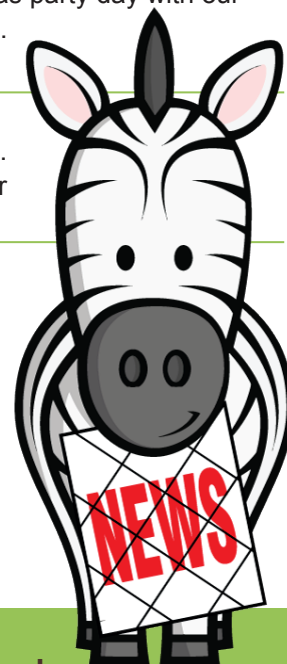

In January we will be focusing on behaviour management across the nursery. We will be holding workshops to be arranged at a later date for parents to attend if they wish to do so. Thankyou to everyone who attended our Christmas Fayre. We raised a total of £182.50 for the RSPCA.
