

DORSET DRIVE

NEWS FLASH

February 2023

LOOK WHAT WE HAVE DONE...

Across the nursery we have been focussing on music and movement exploring our new music area. We have been practising breathing excersizes, yoga moves and discovering different types of beats and music through our vinyl record player! The children have loved dancing to caribbean, classical and rock records and being introduced to some music they have never heard before.

We have recently been enhancing our home corner areas with new family photos and new dressing areas following the children interest from dressing up at home.

As a whole setting we have loved carrying out a full forest school week where we focussed on 'Going on a bear hunt'. We dressed as bears, had facepaint, explored the woodlands, baked, and created lots of outdoor creative crafts.

LOOK WHAT WE WILL BE DOING...

In February we will be focussing on emotions and linking this with mental health week and valentines day. We will be talking about different emotions and using one of our favourite books 'The colour monster'.
