# NEWS FLASH

## March 2023

### WHAT WE HAVE DONE:

During February the children have enjoyed learning all about kindness, friendships and loving one another linking to Valentines day. A massive thank you to everybody who attended our Valentines stay and play session and donated generously to our bake sale, all of the money raised will go into our charity pot for the RSPCA and keep your eyes peeled for many more exciting fundraising events!

In Little lambs the babies have continued their focus on mathematical development and baking! A baking stay and play was carried out and the children thoroughly enjoyed creating their own fairy cakes to take home. Little lambs have also been busy creating mathematical development boxes to use throughout core play in all areas!

In Ducklings the children have learnt all about feelings, we have created a new area with lots of story books about emotions and how to manage our feelings. The children have enjoyed looking at their reflections in our new mirrors and pulling different faces to express themselves. We also linked this to how different actions might make our friends feel and focused on the importance of always being kind to others.

In Farmers the children have continued their focus on school readiness as lots of the children prepare to transition to school in the upcoming months! The children have really enjoyed zoning in on their physical development skills by using their fine motor skills to handwrite, tie their shoelaces and fasten their coats by using their gross motor skills to dress/undress themselves whilst participating in weekly P.E sessions. The children have also enjoyed helping the ladies to set the tables for mealtimes.

Across the nursery we are updating our family and community boards and enhancing our keyworker boxes. We kindly ask parents to please send in lots of family photos and a special item which can stay at nursery which your child can explore/play with during keyworker times.

### WHAT WE WILL BE DOING NEXT:

In Little lambs: The main focus will be personal, social and emotional development as we carry out lots of keyworker time and create family books! Little lambs will also continue their baking file and will be creating lots of yummy treats to send home!

In Ducklings: The focus will continue with understanding the world as we explore the world around us and learn all about each other and the differences between our families.

In Farmers: The main focus will be zoning in on literacy and mathematical development. In Farmers: The children will continue their focus on school readiness and also their literacy development.

## Dates for the Diary:
