

DORSET DRIVE

NEWS FLASH

April 2023

LOOK WHAT WE HAVE DONE...

Across the nursery we have been joining in with a variety of celebrations such as mothers day, welcoming spring and the beginning of Easter activities have already started to happen.

We have celebrated spring with a Spring stay and play session where we welcomed our parents and carers into nursery to spend time joining in with different activities relating to spring with their children. We carried out a dance session, decorated biscuits, painted rainbows and planted seeds. Thankyou to everybody that turned up it was a great success – keep an eye out for our next session!

In the lambs room the children have enjoyed exploring our new natural sensory hoop and spring bottles and focussing on song time.

In ducks the children have been focussing on the new season spring. The children have loved making spring bonnets, celebrating national colour day with rainbow and colour crafts, baking easter cakes and looking at different ways the children can express themselves with marking such as painting with vegetables.

In Farmers the children have been exploring new songs and physical activities they can do which has come from our company training day. We have introduced a song folder to the room's to explore different and new songs and rhymes. The children have loved joining in with different playdough disco activities and 'squiggle when you wiggle' which has encouraged everybody to join in with mark making.

LOOK WHAT WE WILL BE DOING...

In April we will be focussing on recycling and way's we can look after our enviroment and world around us. We will be planting and making plans for our outdoor areas across the nursery.
