# NEWS FLASH

April 2023

## LAMBS

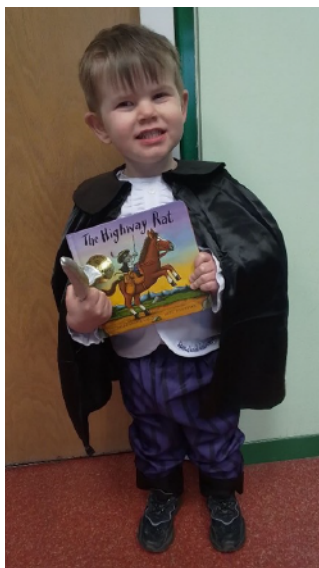

Last month In the Lambs room, we introduced and enhanced our reading area with more child lead and baby books for the children to explore. The children had the opportunity to pick their own book which they showed more interest in. The children have enjoyed the different ranges of activities in the book and that introduced us to our world book day.

We celebrated World Book Day on the 2nd of March. The Lambs dressed up in costumes on this day to come and celebrate with us. We did some baking, creative activities and shared books brought in from home with each other during story time.

## DUCKS

Last month the Ducklings room introduced a new signing in station, which requires the children to look for their picture and then hang it on the tree to let us know they are here. This has been a huge success and all the children have been using it on arrival at nursery.

Another positive has been the introduction of the song of the week. This repetition during singing encourages the children's language skills and participation through actions. The Ducklings dressed up in costumes to celebrate world book day and they all looked great! We also shared books brought in from home with each other during story time and it was lovely to see the children's favourite books that they read at home.

## FARMERS

The Farmers have marched into the month of March with lots of excitement.

This month has been filled with lots of different events for us to take part in such as World book day and Pancake Tuesday. They enjoyed making their own batter for their pancake as well as getting to choose their own toppings. Which ended up tasting Amazing!

Whilst reading the Snail and the whale book the Farmers had spotted a volcano in the book so together we have been learning about a volcanos and enjoyed playing the floor is lava game outdoors.

The Farmers then took an interest in a different book and learnt all about different interesting sea creatures. We then got creative and used our imagination to create our own new sea creatures and learnt lots of new facts about them which was very exciting.

## DATES FOR DIARY

**4TH - 14TH APRIL - EASTER HALF TERM**

Nursery closed for Grant only children.
