SPRINGING INTO MARCH!

The Little Lambs have been learning some new circle time activities which the ladies have been showing them after our recent training day, we have been exploring the parachute, learning new and exciting songs such as jelly on a plate, shake boogie and lemonade pop!

Thank you to all who attended our baby massage mindfulness class in the Little Lambs room, we really enjoyed it and hope you did too! We hope to see more of you at our next session.

The Farmers have been learning all about different occupations and had a special day at nursery to dress up as a family member which was very exciting! We had a visit from a police lady, a doctor and a dentist. They brought in special tools such as a walkie-talkie, hand-cuffs, stethoscope and a dental kit which was interesting to see! We also had a visit from a taxi and the driver very kindly showed us his taxi and let us sit inside - it was very fun!

In April we will be focusing on 'Signs of Spring' exploring our community and natural environments.
