

THE GABLES

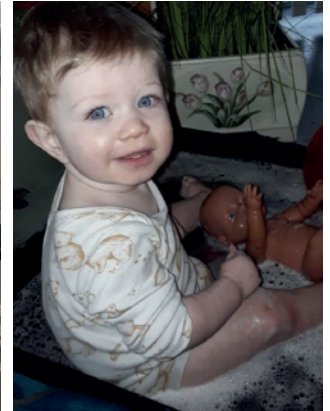

NEWS FLASH

March 2023

FABULOUS FEBRUARY!

The Little Lambs enjoyed taking part in a valentines bubble babies spa session, with bubbles, bath confetti, balloons and have loved dancing along to some of their favourite songs with their friends – they then finished off the day with a valentines tea party. The little lambs enjoyed exploring their recent book of the week 'We're going on a bear hunt', they have took part in a bear hunt sensory trail, made their own bear biscuits, created a new story basket with props, and enjoyed a teddy's bears picnic snack-time.

The Farmers have enjoyed trying out some new activities linking to 'being mindful' and promoting mindfulness. We have been working together to enhance our recycling station and have linked this to of our new and most favourite books this month 'change starts with us) exploring different ways that we can help to protect and save our planet. The children have enjoyed swapping golden stars for a treat at the end of the day, linking to our book of the week 'kind' The book highlights how we can 'fill' up our kindness buckets by being kind to one another, and by doing kind things for example 'giving somebody a hug when they need it', 'saying something nice to somebody', At nursery, we promote the use of our golden rules which also link to 'being kind', to one another - the children love this story, and so we thought that would make our own kindness jar to use at nursery!
