NEWS FLASH

March 2023

FARMERS

The farmers have loved learning all about chinese new year this topic. We took part in a giant stir fry activity where the children explored lots of noodles and chopping a variety of different vegetables. We learnt to use chopsticks and also enjoyed tasting some noodles for our meals. Children were also taught how to write chinese numbers and sign some key words. The children have also been focusing on different ways and tools to mark make. We have been learning how to write our names and copy some numbers. We decorated our outdoor area with different coloured chalks which then led onto us making our own hop scotch game.

LAMBS

This topic the little lambs have been focusing on the story. "The Very Hungry Caterpillar". This came from the children showing preference for different kinds of foods and trying new things. We took part in a large paint sensory floor painting activity where the children made marks using their hands and feet to represent a caterpillar. We have also been on butterfly hunts outdoors and explored the life cycle of the caterpillar. The children have been learning numbers through baking and counting and measuring the different ingredients which resulted in us making an amazing giant caterpillar biscuit for the children to taste.

Dates for the Diary:

THURSDAY 2ND MARCH – WORLD BOOK DAY

We will be having a dress up as your favourite book character day. We will also be asking you to bring in your favourite stories from home and having lots of secret readers in to read to the children. If you are interested please let a member of staff know.
