

BURY COLLEGE

NEWS FLASH

May 2023

WHAT WE HAVE DONE:

Spring has most definitely sprung! Across the nursery the staff and children have been very busy preparing the flower beds ready to plant seeds and flowers. The children have enjoyed participating in lots of forest school sessions, natural play and getting stuck in with lots of mud and soil! This has linked in perfect with our helping the environment themed week for Earth day as we all learnt how to do our part to help save the planet. Each room has planted their own cress/flowers and every day the children have enjoyed watching them grow and change.

For Earth week we also been learning about recycling and have focused on lots of junk modelling and how we can reuse our "rubbish". In Lamb's the babies used yoghurt pots to plant sunflower seeds, in Duckling's we created a recycling centre with the junk modelling the children have brought in from home and in Farmer's the children carried out lots of save the ocean water play activities with bottle tops and fishing nets!

During April we also learnt a lot about different celebrations, to start with the children focused on Easter and found out why we celebrate Easter and our Eid party days were lots of fun and we really enjoyed our party tea where we got to try different foods and flavours. We have also been looking into occupations and learning about different careers, finding out what our older children would like to be when they are older during our school readiness activities.

WHAT WE WILL BE DOING NEXT:

As the warmer weather continues, we will continue to develop our outdoor area! We would love to invite parents to our brand-new gardening club (dates to be announced), during these gardening sessions parents and family are invited to help us plant seeds, flowers, vegetables and update our garden!

In Little Lamb's the focus will be literacy, the children will help their keyworkers create a nursery rhyme box.

In Duckling's our focus will be understanding the world as we continue to carry out lots of natural play and learn more about one another and our families.

In Farmer's the focus will be split into literacy and understanding the world as the children continue to learn about occupations. If you have a child in Duckling's or Farmer's and you would like to tell us more about your occupation, please let a staff member know!

Dates for the Diary:

MONDAY 1ST MAY – BANK HOLIDAY - NURSERY CLOSED

FRIDAY 5TH MAY- CORONATION PARTY DAY!

Dress up as a King or Queen and enjoy your celebration

MONDAY 7TH MAY – BANK HOLIDAY – NURSERY CLOSED
