

DERBY STREET NEWS FLASH

May 2023

WHAT WE HAVE BEEN DOING....

Across the nursery we have carried out lots of activities around Easter, we have been on egg hunts, decorated our own eggs and took part in baking some Easter nests. The children and parents have enjoyed our weekend challenges and have taken part in various activities together such as creating their own Easter bonnets and making their own baby animals which we have displayed in nursery.

As a whole nursery we have really enjoyed developing our song and rhyme time taken from the company training day and have enhanced and developed new song boxes and props to go with our new songs that we have been learning.

The Little Lambs have been extending on their personal, social and emotional development as they have been exploring photographs of their families and friends, they have helped to arrange them in to photo frames and albums to go in our home corners.

The Ducks have been enjoying their brand-new room and have really been engaging in their new playdough station where they have been enhancing their fine motor skills through use of dough disco, new playdough tools and incorporation of objects to make their own creations.

The Farmers have been enjoying learning about life cycles of animals and flowers. The children have taken part in lots of various activities and thoroughly enjoyed dissecting flowers and learning about the different parts before going on to create their own flower garlands and pictures. The children have also shown lots of interest in bugs and have been on lots of bug hunts, learnt about the different kinds of bugs and engaged in lots of different activities around this.

WHAT WE WILL BE DOING NEXT.....

The Little Lambs will be focusing on new sensory and messy play activities.

The Ducks will be continuing to enhance music and rhyme time.

Within the Farmers room we will be focusing on School readiness
