

DORSET DRIVE NEWS FLASH

June 2023

LOOK WHAT WE HAVE DONE...

Across the nursery we have been joining in with a variety of activities celebrating the Kings Coronation, we had a tea party, enjoyed creating London bridge and dancing to music.

We have also enjoyed learning about Spring time and the new baby animals that are born, from this we explored pets and mini beasts. We found insects in our garden and enjoyed watching them change such as the caterpillar eggs on the tree which we followed in its transition to a butterfly.

Some of our older children are getting ready to go to school and we have been helping them by following 'the road to school' journey ensuring our children can be independent learners ready for their new chapter!

We have recently reintroduced the book of the week which will explore specific topics with your children such as stranger danger, internet safety and kindness as well as other topics. Each week we will inform you via ParentZone which book is focused on and the learning outcomes.

LOOK WHAT WE WILL BE DOING...

In June we will be focussing on life cycles, and the human body. We will also be focussing on forest school as we are working to enhance our woodlands area and plant new fruit and vegetables with our children. We will be hosting a grandparents morning and a stay and play afternoon for you all to come and get involved.
