NEWS FLASH

May 2023

LOOK WHAT WE HAVE DONE...

Across the nursery we have been joining in with a variety of activities linking to 'Earth day'. We have celebrated this by a sponsored 'Restore the earth' walk around our local community. We filled over 4 bags of litter and had lots of lovely compliments from our locals! We raised over £500.00 for our charity and we can't thank you all enough for your contributions. The children have learnt about how recycling has a positive effect on our world, animals and habitats, created natural crowns using twigs, leaves and flowers and joined in with lots of planting activities. The older children have created a recycling station in their room where they can bring items in from home and locate which recycle bin it belongs to, they will then reuse the items in their junk modelling creations throughout the week.

All rooms have joined in with celebrating Eid where we dressed up in party clothes, had a food tasting afternoon with samosa's and spring rolls and had our Henna done. We enjoyed dancing to bollywood music and decorating biscuits and cakes with moon and star decorations.

Alongside this we have also been celebrating Easter throughout April month where we decorated boiled eggs, held a chocolate tombola, baking and craft activities and created an outdoor planting pallet.

LOOK WHAT WE WILL BE DOING...

Across the nursery we will be continuing to focus on our understanding of the world and environment.

THANK YOU...

To Dylan's mum for coming in to carry out an emotions drama class with our preschool children through the holidays!
