**FISHERFIELD** CHILDCARE

EDINBURGH WAY
NEWS FLASH

June 2023

Look what we have been doing…

We held a sing and rhyme session with the parents who came to join us. This was very successful, and the Ducklings children were so excited to see their family and friends participate in our nursery rhymes and dance session.

Following this the Lambs children joined in with the Ducklings and the Farmers in hosting songs and rhymes session in nursery.

We introduced different musical instruments to encourage listening and encouraged the children to identify the different sounds they could hear.

The month of May marked the kings Coronation, we spent time carrying out various activities linked to our new king, this included baking and decorating cupcakes, making flags and crowns, exploring various red, white and blue resources and learning the sign for 'king'. We also celebrated with a tea party and lots of yummy food.

The Farmers have been learning about growth and gardening. We saved all the seeds from our oranges at snack time and will be planting own orange tree in the outdoor garden.

Look what we will be doing…

The Ducklings are currently looking at the book ' happy', which is a mindfulness book. It introduces the children to different emotions and ways in which they can recognise these. It also concentrates on ways we can be more mindful and, in the moment, which our activities will reflect. We will continue to incorporate this into June.

Now the weather is getting warmer we will be updating the garden and setting up a gardening area for the children to grow their own vegetables.
