## LAMBS

Last month in the Lambs room, the children have been engaged in different activities to promote personal social and emotional development to help get to know our new children and families that have started with us. We have been looking at family photos, finding out our likes and dislikes and exploring lots of new stories. The lambs have also enjoyed a variety of Easter activities such as an egg hunt where the children had to find different coloured eggs and making their own Easter bonnets that they wore at our Easter party.

## DUCKS

In the Ducks room the children have been celebrating Easter with lots of exciting activities. We made decorations for an Easter tree, taking part in an outdoor egg hunt and participating in lots of spring themed activities such as making daffodils, mindfulness wands and petal perfume, which they used all their senses for.

We celebrated Eid with all our children. We have made and hung Eid decorations on our indoor tree, visited the Ramadan tent, made Eid cards and had an Eid party, which provided us with an opportunity to try new foods which we may not usually eat. It was delicious!

## FARMERS

It has been a month of mindfulness, the Farmers have taken their time to learn about their emotions and reflect on them. We linked this to our favourite book 'the colour monster'. As a team we built a tent where we can go and reflect, relax and meditate throughout the day. This tent was also created as several of our families were fasting for Ramadan, so some of the children could go in to pray. The Farmers have been learning about the Ramadan moon, the meaning of fasting and we have also been learning about Mecca. Throughout the Easter break, some of the children have been taking part in lots bright and colourful activities. We also held an Easter egg hunt as the Easter bunny came down to surprise us

## DATES FOR DIARY

**1ST MAY – BANK HOLIDAY – NURSERY CLOSED**
