NEWS FLASH

June 2023

**LOOK WHAT WE HAVE BEEN DOING.....**

The children have been excitedly learning all about the new King's coronation, we wrote letters to King Charles and posted them to London, we are currently awaiting a response. We held a traditional tea party where the children dressed up as royals and took part in face painting, dance competitions and making their own decorations. The children built the different London structures and learnt about the history of them.

The Farmers have been learning about managing their feeling through the book 'My Monster and Me'. We explored emotions, techniques to calm ourselves down and how to deal with worries. We made our own gratitude jars where children could draw or write how they were feeling and what makes them happy.

The little lambs have been writing letters to the King which linked to our story of the week 'Postman bear'. We carried out lots of writing activities and the children enjoyed posting their letters in the postbox we had made. The story also introduced the children to rhyming words which we then linked to our nursery rhyme sessions.

LOOK WHAT WE WILL BE DOING.....

In June we will be focusing on mindfulness, teaching the children about how to stay in the moment through listening circles, bubble balloon games and yoga.
