

DORSET DRIVE

NEWS FLASH

August 2023

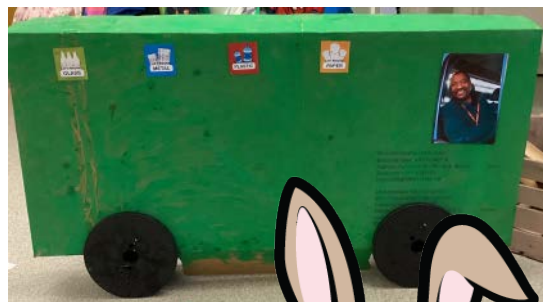

LOOK WHAT WE HAVE DONE...

Wow! Well, what a month we have had at nursery. We have said goodbye to lots of our friends who are moving on to Primary school and enjoyed lots of different activity days to celebrate including our sports day, art attack day where we loved getting extremely messy, our graduation and Disney themed pre-school party! The children loved every minute of it, and we wish them all the best of luck in their next chapter.

The children have also continued to watch as our caterpillars changed to butterflies and said goodbye to them too as we let them fly away in the garden.

Across the nursery we have recently enjoyed a topic learning about recycling linked to our book of the week 'How a recycling truck works'. The children enjoyed taking part in a range of activities such as sorting out recycling at the sorting Centre, learning about why we need to recycle, looking after the animals and making our own recycling truck. We will be setting up a new recycling centre in the entrance for parents to continue to recycle from home alongside their child.

We held a stay and play session for our families to come in and see our nursery, they enjoyed taking part in a range of activities with us such as decorating biscuits, cooking dinner in the home corner, using sand and cement to build our walls in the construction area and making pictures.

LOOK WHAT WE WILL BE DOING...

Following on from our recycling topic the children showed a great interest in different vehicles which will be our next topic where the children will be learning the importance of road safety, how we travel such as buses, trains cars and airplanes, and how we buy tickets and use money.

Dates for the Diary:

4TH SEPTEMBER 2023
