

DORSET DRIVE

NEWS FLASH

July 2023

LOOK WHAT WE HAVE DONE...

The Farmer's children had a fantastic time learning about mini beasts and lifecycles, we are still following our caterpillar's journey and now have 5 caterpillars at nursery so please look out for the photographs as the children follow each stage of growth.

Following on from this we have started learning all about our bodies, looking at our skeletons, organs and the effects healthy eating and exercise has on our bodies. The children have enjoyed taking part in a range of activities such as a dentist role play, using oregano and toothpaste to see how it removes the food and plaque from our teeth, using straws and balloons to learn how our lungs work, measuring ourselves and creating skeletons. The children will be learning a new fact each week so make sure to ask them about it when they get home!

The Duck's and lamb's children have enjoyed learning all about summer and growth, they have loved planting seeds and new flowers in our garden and watering these daily taking good care of them, looking at different fruits and vegetables we can grow. We linked this to the story the very hungry caterpillar, we cut up our fruit and vegetables in our kitchen area and learnt about where the different food comes from.

The children have then moved on to learning about themselves, their families and where we live, the children have enjoyed exploring foods from different countries, dressing up in different clothing, looking at how we travel the world and different holidays we have been on.

We also held our first grandparents' morning thank you to everyone who joined us for lots of fun in the garden.

LOOK WHAT WE WILL BE DOING...

We will be celebrating Graduation with our school leavers and learning about what they can expect through the story Topsy and Tim go to school. We will look at the different school uniforms children will be wearing and what the school day will be like.

Dates for the Diary:

14TH JULY 2023 - TERM TIME FINISHES

PRE-SCHOOL PARTY WEEK has been changed to the
WEEK COMMENCING 3RD JULY 2023
(events will be displayed on the door)
