

THE GABLES

NEWS FLASH

August 2023

LOOK WHAT FUN WE HAVE BEEN HAVING..

The children enjoyed exploring Space with their friends at nursery! We set up a space station for the children to use their imagination, we used our senses to explore moon dough, created our own planets, and made alien gloop! We also researched about all the planets in the solar system and what it looks like inside a rocket - it was very interesting! Some children even joined in with our weekly challenge of creating their very own planet to bring into nursery. They all looked amazing!

The children also helped our local community with the Norden in Bloom competition by creating a beautiful display in our window and bringing their own plants from home to put in our garden. The judges and the Mayor of Rochdale came to have a look at our beautiful Taylor Park, our plants, and our display at nursery.

The little lambs enjoyed celebrating shark day, they enjoyed bubble babies, splashing around in the water whilst listening to and joining with the actions from their favourite song baby shark and other under the sea related songs! They enjoyed exploring bubble foam and popping bubbles, exploring the under the sea sensory tuff tray as well as lots of dancing and creating their own shark paintings! It was so much fun!

Throughout August we will be celebrating Graduation and leavers week with our school and pre-school leavers and having some special treats and themed days – stay tuned!

Dates for the Diary:

FRIDAY 4TH AUGUST – OWL AWARENESS DAY – OWL BABIES!

Come dressed for a day of fun- can you make your own owl costume?!
