NEWS FLASH

August 2023

LOOK WHAT WE HAVE BEEN DOING...

The Lambs have particularly enjoyed exploring all different textures taking part in activities linked to some of our favourite stories, "We're going on a bear hunt" and "Pass the Jam Jim". The babies enjoyed using their hands to explore sensory play trays, making marks in paints and even baked their very own jam tarts to eat after tea. They have enjoyed sharing books and stories and are developing a love for reading and recognising familiar objects in books. They have also been exploring our outdoors, using magnifying glasses and searching for hidden objects with great curiosity!

The children in our farmers room have been practicing their physical skills and learning how to move around the environment outdoors safely. They have been demonstrating their skills to kick and control a football and even learnt how to dribble the ball and kept count of how many goals were scored! All the children enjoyed discussing which football team they supported and who was their favourite player!

To celebrate graduation we enjoyed a stay and play session, where we had a very special party tea and played lots of party games together. Pass the parcel was our favourite where we all won a little prize.

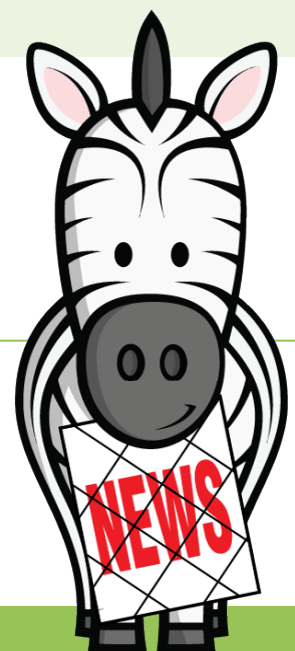

Our graduation ceremony was also a great success and we would like to take this opportunity to wish all of our school leavers the best very best of luck as you embark on your new adventure. We would also like to say a HUGE thank you to all of our families for your continued support in everything we do and for joining us to celebrate!!

LOOK WHAT WE WILL BE DOING...

The Little Lambs will be continuing to follow the children's interests providing lots of opportunities to explore books, music songs and rhymes. The Farmers children will be focusing on developing our mark making skills using lots of different materials to make purposeful marks.

We would like to welcome our new manager **Sophie Thomas**,

Sophie has previously worked as part of our leadership team at our Norden setting and has 17 years' experience working with babies and young children. Sophie is looking forward to getting to know all of our wonderful families.

Dates for the Diary:

FRIDAY 4TH AUGUST – OWL AWARENESS DAY

8TH AUGUST – CAT DAY

10TH AUGUST – LION DAY
