**FARMERS**

The Farmers have enjoyed learning all about how to keep ourselves safe through the Gruffalo's Child story and Child safety week. We went on a walk around our local area and wore our Fisherfield high visibility vests. We spoke about the importance of them, and the children learnt to identify when it is safe to cross the road through using 'stop, look, listen.' We also decided to post nursery leaflets through doors where the children spoke about respecting people's homes, using the allocated paths and not walking on their grass. We identified the different numbers on the houses and the children spoke about their own house numbers. We then spoke about which house numbers were bigger and smaller and how the numbers vary and are odd and even. The children also showed curiosity about the different types of houses such as apartments and semi – detached homes.

LAMBS

The little lambs have enjoyed focusing on music and movement this topic after receiving great feedback from parents about how well their young children know a range of nursery rhymes. We extended their learning through adding parachute games and props to music time which the children really enjoyed and encouraged them to engage more.
