NEWS FLASH

October 2023

WHAT WE HAVE DOING...

To start with, the team wanted to say a huge THANK YOU to everybody who contributed for our Pirate party day which linked into national 'Talk Like a Pirate day'! Once again, we have been blown away with your generous donations to help support our chosen charity, the RSPCA! A big congratulations to our best dressed winners and well done to Brianna for correctly guessing the name of our parrot in our competition.

This month in the baby room the children have focused lots on sensory play and baking! Each day the children have had lots of keyworker sessions in our sensory room and have focused on managing their emotions.

In the duckling's room the children enjoyed learning all about one another and the differences between our families to help support our understanding of the world. We have been busy updating our family board, booklets and creating lots of language flash cards to help support all our friends!

In Farmers the children have been busy exploring the natural world around us and have had a huge success with their allotment! The children have grown lots of vegetables throughout the summer and the pea pods seem to be a firm favourite! As we have lots of new faces in farmers, we have also created a sharing tree where parents can share their child's achievements and discuss them during key worker sessions.

WHAT WE WILL BE DOING NEXT...
