

EDINBURGH WAY

NEWS FLASH

December 2023

The weather is getting colder, but the Farmer's smile continues to shine brighter. We have been and learning about why we have different seasons and have had discussions about the type of clothing that is suitable for each season. We have looked at why the seasons and the impact it has on the environment and the children, such as needing coats in the cold, so we don't become ill, or to drink a lot more water in the warmer weather.

At the start of November, we celebrated Bonfire night, exploring a range of colours. In the Lamb's room we made firework painting to share with our families. The Farmers and Ducklings learnt about fire safety and the importance of making sure they always stay next to the parents.

We held our own bake off where each room had to make some yummy treats to sell for our parents at the door to raise money for RSPCA. The Farmers baked lots of delicious treats such as cupcakes, biscuits, and shortbreads, this provided the all the rooms with the opportunity to strengthen their fine motor skills, go through the different steps and develop baking skills. The Farmers were encouraged to join in with some counting, weighing and following recipes.

We had a comfy pyjama day for national sleep-in day and a stay and play Halloween dance party where all our amazing parents were invited to join in.

We also celebrated Diwali and Remembrance Day, all the children took part in lots of creative and fun activities based on these two memorable events. We also had discussion with the children on why these events are important.

WHAT IS NEXT...

As we enter the joyful month of December, we have lots of fun filled activities planned for the children. The Farmers will start to practice for their carol night. The children will help decorate different Christmas decorations which we will display across the nursery. The Farmers room will be focusing on their personal, social, and emotional development linking to their gratitude emotion.

We will be hosting our annual Christmas market on 9th December from 10-12pm on site. All parents are invited and please bring along your family, we have presents to be won and lots of fun activities for the children to join in. All money raised will be donated to RSPCA.
