

THE GABLES

NEWS FLASH

November 2023

LOOK WHAT FUN WE HAVE BEEN HAVING..

Farmers have had a busy month doing lots of activities and event days! We had a Space Day at nursery where the children created their own paper mache balloon planets, baked space cupcakes, created aliens and role played in the international space station. We also had "A Day in Pakistan", linking to our Book with a Hook, "Chapatti Moon" which the children really enjoy. We created our very own vegetable curry, made our own chapattis, explored the spice station and created our own Pakistan flags. We have also be doing lots of activities leading up to Halloween! The children have created their own spooky Halloween cards, made their own magical potions, created a haunted house, enjoyed exploring pumpkins and lots more including making decorations for our monster mash, and spending some time with parents during this term's key-worker sessions!

This month the little lambs have been very busy getting ready for Halloween we enjoyed making spooky cards and decorations for the children to take home and taking part in a spooky Halloween hunt around nursery! We had great fun taking part in national recycling week creating recycled accessories that we got to show off at the nursery fashion show. We loved seeing your creations - thank you for taking the time to make these with the children!

LOOK WHAT WE WILL BE DOING...

In November we will be focusing on 'signs of winter', and exploring our natural environment and its inhabitants including life cycles, preparation for winter and hibernation. We will be holding a forest school morning with parents – more information to follow.

Dates for the Diary:
