

SCHOOL HOUSE

NEWS FLASH

October 2023

LOOK WHAT WE HAVE BEEN DOING...

Lambs and Ducks have enjoyed the mirror books, 'all about me'. They have been developing their language skills, using the mirrors as they developed their muscles and physical abilities through facial exercises. They have been practicing head, shoulders, knees and toes and looking at different emotions, as they copied different expressions.

The Farmers haven't enjoyed learning about Autumn, as the trees in the garden have already started to lose their leaves. We looked at the different coloured leaves we found in the garden and looked at the adventure the leaf man goes on in the story 'Leaf man'. The children enjoyed exploring the different textures of the leaves, printing with them and learning the autumn nursery rhyme in sign language.

The Explorers have enjoyed spending time in their new room, learning their new routine and learning about each other. We sent home 'all about me forms', linked to this, we were able to follow the children's interests and enabled them to share stories about themselves during key group times. Following on from this, we looked at our pets and even had a visit from some rabbits and a tortoise. The children learnt a sense of responsibility and trust, as they had to be very careful with the animals, as we fed and took care of them.

LOOK WHAT WE WILL BE DOING...

We will be continuing to explore the changing of seasons. We will also be developing outdoor activity boxes which can be used in the cold weather we will begin to experience. Polite reminder to all parents to bring in wellies for outdoor play.

Dates for the Diary:

2ND OCTOBER – SPACE WEEK

We will be having fun role modelling, building our own space rockets, learning the planet song and taking part in science experiments.

10TH OCTOBER – GRANDPARENTS DAY/ AFTERNOON

We will be inviting you to join us for the afternoon, stay and play and see how much fun, your grandchildren have at nursery.

16TH – 21ST OCTOBER – ANNUAL CELEBRATION OF APPLES AND ORCHARDS

The children will be learning all about how they grow and planting their own apple seeds.

23RD – 29TH OCTOBER – OCTOBER HALF TERM
