NEWS FLASH

November 2023

LOOK WHAT WE HAVE BEEN DOING...

Our Little Lambs have enjoyed learning all about the autumn season exploring a variety of different sensory experiences. The children collected the leaves from the garden and used the magnifying glasses to explore them up close! We used lots of different descriptive words to describe the leaves such as crispy, crunchy, hard, soft and we talked all about the colors we could see on the leaves. The children also enjoyed taking part in lots of activities linked to Halloween, they especially enjoyed the shaving foam sensory tray, learning about the Halloween colors, orange, purple, green and black! The babies used brushes in the paint to make marks on paper.

Our Farmers have also enjoyed learning about the season Autumn, learning about what animals come out in the Autumn season and how we can care for them. The children made their very own Hedgehogs using playdough and pasta to make their spikes. The children also enjoyed going on a hunt outdoors to find autumn treasures, they then used a checklist to discover the names of the natural objects they had found. The Farmers have also been learning how to take care of our nursery pet Speedy the snail. They helped to prepare cucumber for him, given him fresh water and keep checking on him every day.

The Farmers children enjoyed our Halloween stay and play, huge thanks to the parents who made it, we hope you enjoyed it as much as we did!

LOOK WHAT WE WILL BE DOING...

The children will be learning all about bonfire night, practicing and developing their early writing skills, exploring a variety of different mark making materials.
